CLEANSE AND EXFOLIATE

PERFECT FOR CREATING
A SMOOTHER, BRIGHTER
COMPLEXION BY SCRUBBING
AWAY MAKEUP AND DULL
SKIN CELLS.

Swisspers
Premium Products

TIPS: FOR EXFOLIATING

- Gentle exfoliation is key! Exfoliating with a sponge or scrub that is too harsh can cause irritation and sensitivity.

TIPS: FOR GLOWING SKIN

- Massaging your skin with gentle circular motions helps stimulate circulation for a healthy glow year round.

EXFOLIATING ROUNDS TECHNOLOGY

- Swisspers® exfoliating cotton rounds have two distinct surface textures wrapped around a soft and absorbent cotton core. The multi-layer design and stitched edge create a durable, plush pad that won't leave pieces behind.

The exfoliating surface gently scrubs away makeup and dull skin cells to reveal a smoother, brighter complexion.

The soft embossed cotton side gently cleanses, and applies toners and astringents.

BEAUTY ESSENTIALS

TOOLS ESSENTIAL TO ALL YOUR BEAUTY NEEDS

Swisspers® applicators are a makeup and nail kit necessity! This pointed applicator is excellent for cleaning up mani & pedi polish mistakes as well as correcting mascara missteps.

TIPS: FOR A PERFECT PEDI

- Apply a thin layer of petroleum jelly on the skin around your nail with a cotton swab prior to your DIY manicure or pedicure to avoid the need for touch-ups. Once your polish is applied and completely dry, wash your hands or toes to reveal a perfect salon quality mani or pedi without the hassle!

TIPS: FOR A SMOOTH BLEND

- Foundations and BB creams can be expensive! Get the most out of your products by using Swisspers® professional quality sponges that won't absorb liquids like other sponges do.
- For lighter, more sheer coverage dampen the sponge slightly, dab off any excess water then apply.
- Use the smooth surfaces for applying foundation, cover-up or blush and use the small end of the wedge to touch-up and blend around the nose, eyes and lips.

TIPS: FOR A FLAWLESS FINISH

- Use a clean, dry cotton ball to blend blush, bronzers and other powders flawlessly to create a smooth finish.

APPLICATION AND BLENDING

APPLY LIQUID, CREAM AND POWDER COSMETICS FLAWLESSLY WITH OUR ASSORTMENT OF COSMETIC FOAMS AND APPLICATORS

IDEAL FOR APPLYING BLUSH, BRONZERS, & FOUNDATIONS. WORKS WONDERFULLY WITH BOTH LIQUID AND POWDER COSMETICS!
