Our Story

As the leading manufacturer of cosmetic cotton products in North America, we bring over 30 years of experience in all cotton categories. From swabs to cotton balls to premium quality cosmetic rounds and squares and more, our dedication to quality and service go unrivaled.

Through experience, dedication, innovation and state-of-the-art technology we can offer quality products that your customers want, at the right price. Our commitment goes beyond simply providing product. Partnership is our goal, and you can expect great things with our commitment to this promise!

Our Brands & Product Lines

100%
COTTON

U.S. Cotton® offers a complete range of skin care and cosmetic products designed to fit the needs of all customers and consumers. From our wide variety of 100% cotton products, to our professional quality cosmetic foams and applicators, we aim to consistently bring new item opportunities, category knowledge, and the experience necessary to drive growth in the cotton and skin care categories.

Our rounds are made with a lower carbon footprint manufacturing process than other common methods.

PREMIUM COTTON ROUNDS

TECHNOLOGY

SOFT, EMBOSSED LAYER OF COTTON

100% cotton, quilted for strength embossing helps to reduce linting & create a more durable pad that is gentle enough for all skin types

PLUSH COTTON CORE

an ultra soft layer of 100% cotton provides the ideal softness, absorbency and thickness for our premium cotton rounds

SMOOTH LAYER OF SPUNLACE

a thin, non-woven layer of 100% cotton delivers added strength and eliminates lint, creating an ideal cotton round for cleansing and removal of cosmetics and nail polish

PATENTED STITCHED EDGE TECHNOLOGY

the unique stitched edge design binds all layers together to ensure a durable, lint-free pad that will not separate during use

CLEANSE AND EXFOLIATE

PERFECT FOR CREATING A SMOOTHER, BRIGHTER COMPLEXION BY SCRUBBING AWAY MAKEUP AND DULL SKIN CELLS.

TIPS: FOR EXFOLIATING

- Gentle exfoliation is key! Exfoliating with a sponge or scrub that is too harsh can cause irritation and sensitivity.

TIPS: FOR GLOWING SKIN

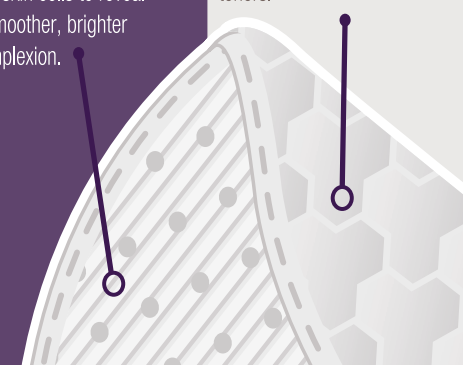

- Massaging your skin with gentle circular motions helps stimulate circulation for a healthy glow year round.

EXFOLIATING ROUNDS TECHNOLOGY

- Swisspers® exfoliating cotton rounds have two distinct surface textures wrapped around a soft and absorbent cotton core. The multi-layer design and stitched edge create a durable, plush pad that won't leave pieces behind.

The exfoliating surface gently scrubs away makeup and dull skin cells to reveal a smoother, brighter complexion.

The soft embossed cotton side gently cleanses, and applies toners.

BEAUTY ESSENTIALS

TOOLS ESSENTIAL TO ALL YOUR BEAUTY NEEDS

Swisspers® applicators are a makeup and nail kit necessity! This pointed applicator is excellent for cleaning up mani & pedi polish mistakes as well as correcting mascara missteps.

TIPS: FOR A PERFECT PEDI

- Apply a thin layer of petroleum jelly on the skin around your nail with a cotton swab prior to your DIY manicure or pedicure to avoid the need for touch-ups. Once your polish is applied and completely dry, wash your hands or toes to reveal a perfect salon quality mani or pedi without the hassle!

TIPS: FOR A SMOOTH BLEND

- Foundations and BB creams can be expensive! Get the most out of your products by using Swisspers® professional quality sponges that won't absorb liquids like other sponges do.
- For lighter, more sheer coverage dampen the sponge slightly, dab off any excess water then apply.
- Use the smooth surfaces for applying foundation, cover-up or blush and use the small end of the wedge to touch-up and blend around the nose, eyes and lips.

TIPS: FOR A FLAWLESS FINISH

- Use a clean, dry cotton ball to blend blush, bronzers and other powders flawlessly to create a smooth finish.

APPLY LIQUID, CREAM AND POWDER COSMETICS FLAWLESSLY WITH OUR ASSORTMENT OF COSMETIC FOAMS AND APPLICATORS
